

Welcome page that says FamCharity and has a picture of a family looking at a sunset

A button that shows the main page

A screenshot of a charity website's cart interface. The top bar includes the "FamCharity" logo and a "View cart" button with a shopping cart icon. The main area is titled "Your Cart" and shows a green button for "Proceed to Checkout". Below this, a message from the charity states their purpose: "Hello, we have started this charity because of the recent natural disasters that have ravaged the world and parts of space. We are here to provide aid to all families effected by natural disasters. Our goal is to make their lives easier and help them in these trying times while they recover. Donate now and help us help others with a small or large donation. Together we can make the world a better place." At the bottom, there is a section for "What else you can do to help:" which is currently collapsed.

Donation Options

After clicking the button this appears

Cart opens automatically and can be closed with the fixed button on the top right

An accordion with 2 sections
